## Adding Content to Favorites

The **Favorites** feature allows you to bookmark your frequently-used content in the **Favorites** tab, so you can quickly and easily access your go-to pieces.

1. Click on the **heart icon** to add to your **Favorites** view.
2. Click on the **Favorites** tab to view and share your favorite content as needed.
3. To remove content from **Favorites**, simply click the heart icon again to deselect it.
