

Updating your Billing and Payment Information

Last Modified on 04/27/2021 9:59 am EDT

Need to update your billing information? We've got a couple of different options depending on the type of account you have with us:

If you have an annual contract with ClearSlide, you'll need to reach out to your Account Manager to get a copy of a recent invoice or update any aspect of your billing information.

If you're not sure who your Account Manager is, please reach out to support@clearslide.com.

If you purchased ClearSlide through our eCommerce portal, you can update your billing information [here](#).

Please note that any changes to your billing information may not take effect until our next round of billing on your account.
